SALEM COLLEGE

SIGHTS & INSIGHTS

1998-1999

WINSTON-SALEM, NORTH CAROLINA

Our College, Our Life

Salem's campus is more than just brick paths and historic buildings. Our campus is very much a part of our daily lives and helps to shape our college experience in a unique way. We have mixed pictures of our campus with pictures of Salem students because it is symbolic of our way of life. Salem is our home away from home. Our lives are intertwined with our campus and with the many people we meet here. We are a community. We form a bond that will never be broken. No matter where life takes us, we will all hold a piece of Salem in our hearts. We may joke about our sisterhood, but it is real. We are sisters. Our lives are connected in a very special way. We grow together in a strong educational environment. We bond together in our dorms. The campus and its people influence each other. Without its students Salem would not be Salem. Without Salem we would not have the chance to change and mature here. We thank Salem and all of its faculty and staff for creating an environment where we can come as girls and leave as women.

Aimee Martin, Andi Mercier, Stephanie Talbert, and Mary Qiann.

THE 1998-99 SIGHTS & INSIGHTS IS DEDICATED TO Dr. Craig Miller FOR HIS EXCELLENT SERVICE TO SALEM COLLEGE

Colophon

The 1998-1999 Sights & Insights was printed on 200 pages by Taylor Publishing Company, Dallas, Texas. Press run was 525 with a trim size of 7.75 x 9.5. The paper stock is 80 lb enamel. Goudy was used for all body copy, captions, and headlines. Body-type is 12 point; captions are 10 point; 12 point was used for the student sections and the index. Headlines are 24 point.

Student portraits were photographed by Armstrong Studios of Winston-Salem, North Carolina. All other photographs were donated by students or taken by the Sights & Insights staff.

The cost of the yearbook is included in Student Government Association dues. No portion of this book may be reprinted without written permission of the editors-in-chief.

Special Thanks

Monica and I have so many people to thank for their invaluable help on this yearbook. First, thank you to the Sights & Insights staff-you are all a bunch of troopers. Having to put up with two crazy editors each week must have taken a lot. Thanks to Susan Miller, our yearbook representative: you have been wonderful. I hope we broke you in in style. Thanks to our yearbook advisors, Patty and Brooke. I know I said it wouldn't be any work for you, but hey, life is full of surprises. Thanks to my dad, Richard McClintock, for the graphic design help, the use of the HSC office, and most of all the support through this whole escapade Thanks to Cameron Carter for the computer help; I bet that was never part of your job description. Thank to Taylor Publishing for letting me use PageMaker instead of Ultra Vision. Thanks to Carrie, Jenny Cook, and Maria Parker for putting up with tales of yearbook woe. And above all, thanks to all the students who donated pictures; we could not have gotten this book out without you.
